

Projects and activities:

- Promotion and implementation of health projects
- Construction/restoration of hospitals, clinics, birth clinics and laboratories
- Construction/restoration of schools, vocational schools, nurseries and orphanages
- Financing of medicines, medical devices and instruments
- Financing of training programs for health care professionals (doctors, health officers, lab technicians, pharmacists)
- Financing of projects related to water supply, fountains, reservoirs

Our projects are largely financed through private donations and contributions in kind. Further funds are provided by the Autonomous Province of Bolzano, the Autonomous Region of Trentino South-Tyrol and the Italian Episcopal Conference C.E.I.
